

ABOUT THE COMPANY

Since 1995, we have expanded by building a broad network of collaborations with leading companies in the recycled plastic sector. At **ONLYPLAST S.L.**, we manage the procurement, processing, and distribution of recycled plastics for various industrial applications, exporting to several countries.

At **ONLYPLAST SPAIN, S.L.**, we have implemented an Integrated Management System for Quality and Environment, compliant with UNE-EN ISO 9001, UNE-EN ISO 14001 and UNE-EN ISO 15343. This allows us to enhance quality management and protect the environment in our activities related to the purchase, sale, and processing of recycled plastics. Our focus is on maximizing organization, performance, quality, and profitability while ensuring a high level of service for our global customers and promote circular economy.
